**WHY JOIN?** The Museum Association is the support organization for the Museum of Texas Tech University, providing both funding and volunteers. The Museum Association has been an active part of Texas Tech, Lubbock and the South Plains since 1929.

**MEMBERSHIP** in the Association helps us to continue to offer the very finest programming to all ages of visitors. We are fortunate to have a museum of this caliber in our community, and you can be a part of that by joining us today. It offers various discounts and participation in member-only events.

**SUPPORTING** the Association helps promote arts, science, and culture in Lubbock and the surrounding communities. You will also help us to preserve the Museum's collections for future generations as well as fund traveling exhibits.

**VOLUNTEERS** of the Museum Association have varied opportunities. Whether it is by serving on a committee, participating in lectures or working in the Museum Gift Shop, your volunteer experience will prove to be fulfilling.

**MISSION:** The Association promotes and supports the Museum and assists in securing monies, members, collections and general good will for the educational and building programs of the Museum.

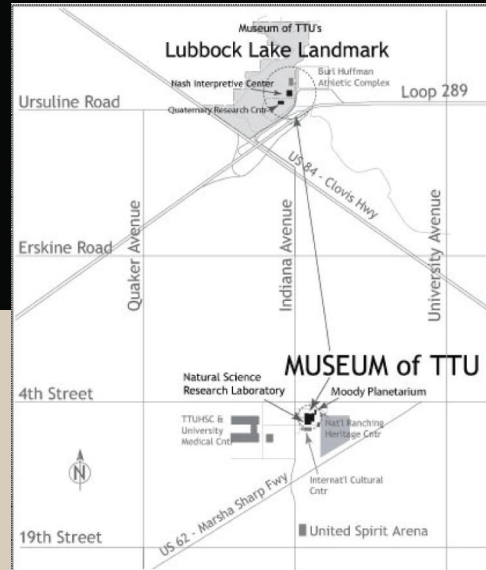

**ABOUT US:** The Museum of Texas Tech University Association began over 85 years ago when a group of visionary people came together to discuss the need to collect and preserve the art, culture and history of Lubbock and the region. The Association is one of the oldest continuously functioning organizations in Lubbock and serves as a group of community volunteers offering unique and broad support of the Museum and staff.

With current membership of over 400, the Association has assisted with various projects and programs that have enhanced, updated and expanded the collections, services, programs and construction of the Museum. The Association is also active in the educational programming of the Museum by supporting activities such as Toddler Tuesday, Saturday at the Museum, and Bedtime at the Museum.
